This letter is to inform you of the Sheldon Rd. underpass construction project on January 9, 2007. A portion of Sheldon Rd. will be completely closed from Farmer Street to just south of the ramps to M-14. This project is expected to take approximately 23 months to complete. You will need to find an alternative route if you use this section of Sheldon Rd. Attached below is a map showing construction areas and suggested routes. Please feel free to call the office with any questions.

From: 275 exit Ann Arbor Rd head west to Sheldon Rd. turn right on Sheldon Rd you will be heading north approx. 1 mile to the office.

From: M 14 exit Beck Rd. head south to N. Territorial Rd. turn left N. Territorial to Sheldon Rd. make a right approx. 200 yards to the office.
